CRP PARTICIPATION AGREEMENT

Youth Attendance:

Youth are expected to attend CRP every day for which they have been scheduled. The CRP Crew will meet in the waiting room of the Juvenile Detention Center. Youth must arrive 15 minutes prior to the time and date listed on the schedule that they received at orientation.

Failure to follow the expectations outlined below and the expectations provided at the Orientation may result in no credit for the day. Severe behavior problems may result in immediate admission to detention.

From time to time, emergent situations might arise that cause a youth to miss a scheduled CRP day. The list of acceptable reasons for missing a CRP day is presented below. In very rare situations, other reasons might be acceptable. Written documentation will be required to support the reason given.

- Debilitating injury to youth
- Death in immediate family
- Scheduled to appear in court

Missing a scheduled CRP day for any unexcused reason will result in the remainder of the court ordered days being converted to secure detention. **Youth are required to call Linda Brown @ 736-2769 immediately following a missed scheduled CRP day, leaving a detailed message explaining why youth missed the scheduled day.**

Youth Responsibilities:

- 1) Arrive prepared for work by the scheduled time. Those youth arriving later than the scheduled time will likely be refused the ability to participate in the CRP and risk completing his/her sentence in detention.

- 5) Participate in a positive way on CRP and behave in a way that allows others to do the same.

CRP Staff Responsibilities:

CRP staff will provide supervision between the scheduled begin and end times. The parent is responsible for supervision before the begin time and after the end time. Should an emergency arise so that the parent is a few minutes late in picking up their child, the parent can contact the Detention Supervisor or the CRP Staff to request that their child wait for their arrival in the Detention Lobby. The CRP staff will provide a safe work environment, lunch, and water to the youth.
